QUOTE:

Holiness is the perfection of all [God's] other attributes. His power is holy power, His mercy is holy mercy, His wisdom is holy wisdom. It is His holiness more than any other attribute that makes Him worthy of our praise.

As used in Scripture, holiness describes both the majesty of God and the purity and moral perfection of His nature. Holiness is one of His attributes; that is, holiness is an essential part of the nature of God. His holiness is as necessary as His existence, or as necessary, for example, as His wisdom or omniscience. Just as He cannot but know what is right, so He cannot but do what is right.
